OUR UNIQUE APPROACH

As an educational travel company, we introduces innovative, experience-rich journeys that blend real-world learning with lifelong memories for school students.

We brings a unique approach to student travel by transforming every journey into an immersive educational experience that inspires learning beyond the classroom.

With a focus on experiential learning,we creates meaningful travel programs that equip school students with knowledge, skills, and unforgettable lifelong experiences.

We redefines educational travel by offering hands-on, curriculum-connected journeys that enrich student learning and create lasting impressions.

TESTIMONIAL

A Glowing Testimonial for Edufun Trips

Edufun Trips has been an exceptional travel agency for organizing field trips for the students of M S Dhoni Global School. Their dedication to providing an enriching and hassle-free experience has been evident in every trip they've managed.

From the outset, Edufun Trips showcased a high level of professionalism and attention to detail. Arun, in particular, has been a standout representative, taking personal care of each trip and ensuring that all travel itineraries are executed seamlessly. His constant follow-ups and proactive problem-solving have made a significant difference in the overall experience, ensuring that every aspect of the trips was well-coordinated and executed to perfection.

Edufun Trips has curated remarkable travel experiences, including destinations such as Europe, the US, Australia, and New Zealand. The trips were well-organized, with careful consideration of both logistics and the unique interests of the travelers.

The positive feedback from students and staff alike highlights Edufun Trips' commitment to excellence. Their thorough planning, attention to detail, and personalized service have set a high standard for field trip travel. I highly recommend Edufun Trips for any educational travel needs, confident that they will deliver a memorable and enriching experience.

With best regards,

Chandrasekar R

TO WHOM IT MAY CONCERN

KLE School, Nagarbhavi, Bengaluru extends its sincere appreciation to Edufun Trips for being our trusted educational travel partner over the years. Their team has consistently organized safe, well-coordinated, and enriching day outings, field trips, and the prestigious NASA Educational Tour for our students. Each experience has contributed significantly to the holistic development of our learners, offering them valuable exposure beyond the classroom.

We would also like to extend a special note of thanks to Mr. Arun Kumar for his continuous support, guidance, and meticulous planning throughout the year. His dedication has played a vital role in ensuring that every trip is smooth, educational, and memorable for our students.

Warm Regards,

A Testimonial for Edufun Trips

Edufun Trips successfully organized an educational and recreational trip for the students of EQube International School, and we would like to express our sincere appreciation for the excellent planning and execution of the entire program.

From the initial preparations to the completion of the trip, the experience was well-structured, professionally managed, and thoughtfully coordinated. Special mention must be made of Nirmala Ma'am, who supported the school team throughout the journey. Her constant presence, guidance, and prompt assistance played a crucial role in ensuring that the trip progressed smoothly and comfortably for both students and staff.

The pre-trip arrangements were handled efficiently, with clear communication and attention to every detail. The bus staff was extremely supportive, courteous, and responsible, ensuring safe travel at all times. Hygiene standards were consistently maintained, adding to the overall comfort and well-being of the children.

All activities were conducted in a systematic and professional manner, encouraging participation and collaboration among students. The team activities were planned and executed effectively, providing students with meaningful opportunities to work together, build confidence, and strengthen peer relationships. Our students thoroughly enjoyed the experience and were visibly happy throughout the trip.

The open and refreshing environment offered a welcome change from the classroom setting, allowing children to relax, rejuvenate, and reconnect with nature. This setting also helped students bond better with their teachers and peers, fostering stronger relationships and positive social interaction.

Edufun Trips demonstrated a strong commitment to student safety, engagement, and overall experience. Their team ensured that every aspect—from logistics to learning and fun—was seamlessly taken care of, making the trip both educational and enjoyable.

We truly appreciate the efforts of Edufun Trips in delivering a well-organized, safe, and enriching edufun experience for our students. We look forward to associating with them again for future educational tours and activities.

With Regards,
