

EDUCATION TRIP

UNIQUE EXPERIENCE & LEARNING OBJECTIVES:

The Jawaharlal Nehru Planetarium (JNP):

is administered by Bangalore Association for Science Education (BASE). The BASE is devoted to science popularization and non formal science education. There's a science center and a science park with sundials, kaleidoscopes, and models of rockets as well as a number of projectors and telescopes for public use. It's also a great place to head to for viewings of astronomical events, such as eclipses.

The Visvesvaraya Industrial and Technological Museum (VITM):

is a constituent unit of the National Council of Science Museums (NCSM), Ministry of Culture, Government of India. This splendid museum, dedicated to the memory of Bharat Ratna M. Visvesvaraya, the architect of modern Karnataka, houses various technical inventions and offers you a glimpse of the history of technological development in the country.
