

## ARTISTIC WORKSHOP EXPERIENCE [EDUCREATE TRIP]

### School To Creative Arts Workshop Venue

---

#### UNIQUE EXPERIENCE & LEARNING OBJECTIVES:

Students will engage in personalised creative expression through hands-on customisation of everyday items. This workshop develops artistic skills, design thinking, and personal style expression while creating functional art pieces they can use and treasure. Each student selects their preferred medium and receives dedicated instruction in painting techniques, color theory, and creative design principles. The experience promotes individual creativity, fine motor skill development, and confidence in artistic expression.

#### WORKSHOP STRUCTURE:

Capacity: 100 students maximum per session  
Material Selection: Each student chooses ONE preferred medium for personalized focus  
Batch Organization: Students divided into material-specific batches for optimal instruction  
Instructor Ratio: One top-notch instructor along with trusted volunteers assigned per batch ensuring quality guidance  
Session Duration: 90 mins intensive workshop for complete project completion
